

Snuggle bunny weekend

Relax and enjoy!

In your room a bottle of a Riesling sparkling wine, chips and biscuits with a small snuggle bunny toy, perfumed candles and bath beads will create a laid back and homely atmosphere. Just relax on the pool or in the steam sauna. Have some nuts and breathe in lavender in its purest form.

On the second evening you and your partner will feast on a three course dinner followed by a delicious chocolate fondue.

Our Kothmühle Relax Resort will be at your disposal from 6 am to 11 pm and on the day of departure until 5 pm.
